U-PASSES AVAILABLE NOW FOR UA STUDENTS, EMPLOYEES

TUCSON, Ariz. - Sun Tran and the University of Arizona once again are making unlimited travel on Sun Tran buses available at a reduced cost to UA students and employees. Through the U-Pass program, the University of Arizona subsidizes up to 50 percent of the cost of bus passes for students and employees.

U-Passes are on sale now for the fall semester, academic year and calendar year at UA Parking and Transportation Services, 11117 E. Sixth Street. Bus pass costs for UA students and employees are: Fall Semester pass - \$70.00; Academic pass (good for nine months) - \$112.00; Annual pass (good for 12 months) - \$156.00.

Last year, approximately 2,500 UA students and employees purchased U-Passes. U-Passes allow unlimited rides on Sun Tran's 37 routes throughout the Tucson area, providing easy and economical access to off-campus housing, shopping, movies, restaurants and the airport.

UA Parking and Transportation Services also administer on-campus transportation options, including Cat Tran, the free UA shuttle; the campus bicycle safety program; carpool program and daytime disability cart service.
