XN - All express routes have multiple stops in addition to the stops listed on your run sheet. The Express Ride Guide has stops listed for the Operator's and the rider's convenience.

- Please remember to look for passengers at all express stops and plan to stop and pick/up express passengers regardless of an individual's appearance (race, color, gender, or income).
- Watch for transferring passengers. Passengers may transfer from any route both express and non-express.
- Regardless of ridership, if you have an empty bus or not you MUST complete your run and go to the end of the line.

E - Estimated timepoint - Not Required to hold
