

OCTOBER 2020 HIGHLIGHTS

SUN VAN FLEET UPGRADES

Sun Van recently received the remaining 21 of 42 new vehicles into its paratransit fleet. The new vehicles replace aging vans to improve the overall safety and reliability of service to Americans with Disabilities Act (ADA) passengers.

All the new Ford E-Series Cutaway Vans will be in revenue service by December, decreasing the average fleet age to 2.36 years.

Each 22-foot vehicle can accommodate nine (9) passengers and features a longer wheelbase (138 in.) than current Sun Van vehicle models. The longer wheelbase increases floor space inside the vehicle, allowing better maneuverability into the wheelchair securement area for passengers.

AUTOMATIC WHEELCHAIR SECUREMENT

Several Sun Tran employees received training for the Q'Straint Quantum Automatic Wheelchair Securement station. The Quantum technology allows passengers, who use a mobility device, to be secured in less than twenty-five seconds without the assistance of a coach operator. This enables riders a greater sense of independence and provides faster boarding and alighting times, more like other passengers' experience.

In addition, by eliminating operator assistance for mobility securement, close contact between operators and passengers will be limited to help slow the spread of viruses. Sun Tran is currently testing one bus in revenue service with the Quantum securement station, and has received positive feedback from operators.

VIRTUAL STUFF-THE-BUS

In October, Sun Tran took part in a virtual "Stuff-the-Bus" event, hosted by the Emerge Center Against Domestic Abuse. Due to the COVID-19 pandemic, the community virtually filled the bus with over \$13,500 in donations! All donations benefited Southern Arizona survivors of

> **\$13,538** in donations collected

LONG-TERM DOWNTOWN DETOURS

Routes 3 (6th St./Wilmot), 102X (Golf Links-Downtown), 103X (Northwest-Downtown) & 109X (Catalina Hwy-Downtown) will have long-term detours due to construction at 6th Ave. and 6th St. for the Downtown Links construction project. When leaving downtown, Routes 102X and 103X will travel northbound on Stone Ave. and Routes 3 and 109X will travel northbound on 4th Ave.

RAVING FANS

Our goal is to provide the best service possible to our customers. We like to recognize our employees who go the extra mile to help our passengers become Raving Fans.

7 7

James Archuleta - Sun Tran Driver 🌟 🌟 🌟 🜟

"I have been having a very difficult time due to the COVID-19 pandemic. I've been separated from my family and I suffer from depression and PTSD. I have attempted suicide multiple times in my life. Sometimes it's hard to talk to anyone about anything. When a person is depressed it is an ominous feeling of grief that no matter how many attempts you just can't crawl out of the dark. James probably doesn't know, but his outgoing personality and willingness to engage in conversation helped bring me out of a dangerous self-harm situation. I have rode Sun Tran for 20 years and have been on James' bus many times. He is a familiar face that welcomes passengers and literally saves lives unknowingly. Thank you and Sun Tran for employing drivers like this gentleman."

Ramon Figueroa Sun Tran Driver

"Ramon was very good to me and my husband, who is visually impaired. He was patient on giving us instructions for the route. He is the nicest operator that you have. A BIG THANK YOU."

Jennifer Haughey Sun Tran Driver

Sun Tran Supervisor says, "Jennifer noticed an elderly passenger confused, lost and worried on the bus. She called dispatch, and requested a Spanish-speaking supervisor to assist her. When I arrived, the passenger said he was lost and he did not know where he was. I was able to communicate with his daughter and stayed with him until she arrived. They were both super happy for what we did. I'd like to thank Jennifer for her work, and for being alert to passengers' needs. Thanks for going the extra mile, great job!"

Lourdes Galaz Customer Service Representative

"I was very pleased with the customer service that I received from Lourdes. I think that she has a pleasant, friendly voice. I was happy when I called back an hour or two later for information and she answered again."

Diane Salsi & Michael Thomas - Sun Tran Drivers

"I work nights and my drivers know me because I'm a regular. I usually wait 10 minutes for my second bus, but yesterday I caught a ride after my first bus. My drivers noticed I was missing and they told me they both looked for me because I disappeared and were concerned. I felt the love and concern when they were telling me about it tonight. Thanks Sun Tran for hiring such great people."

Steven Lawrence - Sun Van Driver 🚖 🚖 🚖 🚖

"I really appreciated Steve. He was very patient with me as I tried to sort out my trip. I know he was conflicted because dispatch was telling him just to stick to the original route, and I was asking for something else. But he waited until he got word from dispatch to go on the trip I was requesting. The entire time he was very pleasant and understanding of the unpredictable circumstances. I did express my appreciation to him. These are the kind of drivers we need, willing to be flexible and caring about the people."

Tammy Anderson Sun Van Driver

"Tammy did a fantastic job. I appreciated how helpful she was."

Sam Templeton Sun Van Dispatcher

"I was stuck at the hospital after having had surgery and found myself with no way to return home. Sam went out of his way to help me and said, "Don't worry. I will get you home." Then he made it happen. I am incredibly impressed with how efficiently and expertly Sam handled the situation."

Joe Stanley Reservationist

"What an outstanding job Joe did in scheduling my trips. He worked hard and I found it incredible that he was able to get my trips scheduled. Joe is a good, professional employee and he really helped me out."

Rita Dominguez - Reservationist

"I was impressed with Rita's customer service. It was a pleasure working with her and she was concise and clear. I appreciated her service."

Glossary of Terms

Cancellations (Sun Van)

When the passenger or the passenger's representative cancels the reservation two or more hours prior to the

beginning of the scheduled pick-up time.

Complaints per 100,000 Passengers Equals total complaints divided by total passengers times 100,000.

Cost per Mile Equals total operating expenditures divided by total miles.

Cost per Service Hour Equals total operating expenditures divided by total service hours.

Cost per Trip (Sun Van)Total operating expenses divided by total trips.

Deadhead Miles and Hours

Miles that a vehicle travels when out of revenue service. Deadhead includes leaving or returning to the garage or yard

facility, changing routes or when there is no expectation of carrying revenue passengers. Deadhead does not include

operator or maintenance training.

Denial (Sun Van)

An ADA-eligible trip requested that is not scheduled by Sun Van within the permissible scheduled window of one hour

before or one hour after the requested pick up time.

MDBF (Sun Link)

Mean distance between failure is the distance between failures of any of the major sub-systems of the streetcar that

cause significant delays or disruptions of service and/or cause the streetcar to be removed from service.

No-Shows (Sun Van) When the passenger does not board the Sun Van vehicle when the vehicle arrives at the pick-up location within the

pick-up window and the driver waits two minutes, or when the customer does not cancel the reservation within two

the scheduled pick-up time.

On-Time Sun Tran: A bus may be up to 5 minutes late, but less than 1 minute early and be classified as on-time.

Sun Link: Regularly scheduled streetcars arriving at their last station stop less than six minutes behind schedule.

Sun Van: The vehicle is considered on-time if it arrives between 15 minutes before or 15 minutes after the

requested pick-up time.

Optional ADA (Sun Van)

Passenger trips outside 3/4-mile corridors around Sun Tran fixed routes or beyond times availbale on a Sun Tran fixed

route, a same day request, and will calls.

Passengers per Mile Equals total passengers divided by total revenue miles.

Passengers per Service Hour Equals total ridership divided by total service hours.

Passenger Revenue Equals revenue collected from passengers (includes farebox revenue and revenue from pass sales).

Glossary of Terms

Pick-Ups Before Significantly Late (Sun Van) Pick-ups 30 minutes outside of the originally scheduled pick-up window.

Revenue Miles and HoursThe miles and hours that vehicles travel while in revenue service. Vehicle revenue miles and hours (VRM and VRH)

include layover/recovery time but exclude deadhead, operator training and maintenance testing.

Revenue per Mile Equals total passenger revenue divided by total miles.

Revenue per Passenger Equals total passenger revenue divided by total passengers.

Revenue per Service Hour Equals passenger revenue divided by service hours.

Revenue per Trip (Sun Van)Total passenger revenue divided by trips.

Ridership (Unlinked Passenger Trips)

The number of passengers who board public transportation vehicles. Passengers are counted each time they board

vehicles no matter how many vehicles they use to travel from their origin to their destination.

Ridership (Unlinked Passenger Trips) Sun

Van

Equals Total passengers actually transported. A one-way trip taken by an ADA paratransit-eligible passenger, a personal

care attendant (PCA) or companions from the pick-up point to the destination.

Road Calls A road call is defined as a mechanical failure of a vehicle in revenue service that necessitates removing the vehicle from

service until repairs are made.

Service Miles and Hours Miles and hours that vehicles travel while in revenue service plus deadhead miles/hours. Service miles/hours does not

include operator or maintenance traing.

Total Demand (Sun Van)Total number of passenger trips requested.

Total Cost per Passenger Equals total operating expenditures divided by total passengers.

Trip (Sun Van)

A one-way trip taken by an ADA paratransit-eligible passenger from the pick-up point to the destination (excludes PCA's

and companions).

Trip Time (Sun Van)The percentage of ADA trips with a trip time less than the comparable Sun Tran fixed route trip.

Trip Time 110% + 5 Minutes (Sun Van) When an ADA trip length exceed 110% + 5 minutes of the comparable Sun Tran fixed route trip.
