

# JANUARY 2021 HIGHLIGHTS Suntran Sunvan SLINK ON DEMAND

#### EMPLOYER OF CHOICE

As an employer of choice, Sun Tran is helping Tucson get back to work with a number of hiring events. Two job fairs held in January netted 45 applications. Sun Tran made job offers to 28 of those candidates.

#### **BLOOD DRIVE**

Sun Tran teamed up with the American Red Cross to boost blood donations. The nonprofit's donation bus could accommodate 25 appointments, which were

completely filled by Sun Tran staff or spouses on January 20th. Donors gave a total of 25 pints of blood, saving an estimated 75 lives in Tucson.

#### **FLEET ADDITIONS**

Sun Tran added five new buses to its fleet, which all run on compressed natural gas (CNG). The latest additions from Gillig replaced bio-diesel powered models. Out of 223 active buses, Sun Tran's fleet now contains 88 CNG buses. These models offer emissions benefits, lower maintenance costs and are expected to cut fuel costs by 58%. The newest buses are also equipped with a system that allows passengers to self-secure their wheelchairs with the push of a button.

#### VACCINE SITE VOLUNTEERS

hours volunteering at the Tucson Convention Center (TCC)

vaccine distribution site in January. Their service reinforces a company culture of giving back to the community. The TCC is one of five major sites in Pima County offering the coronavirus vaccination to frontline workers and our most vulnerable neighbors.

#### **FTA GRANT**

With a goal of mitigating exposure to COVID-19, Sun Tran services will soon feature additional contactless options. The initiative is possible thanks to a \$600,000 grant from the Federal Transit Administration. Working with the City of Tucson's Department of Transportation and Mobility, Sun Tran will use the funds to install automatic wheelchair securement stations, upgrade existing fare boxes to accept touchless payments and to design other contactless services.

#### TRANSIT TRAINING

Employees from Sun Tran, Sun Van & Sun Link are dedicated to ensuring Tucson is on the cutting edge of transit safety and security. In January, 13 staff members completed a 36-hour training course on Transit Rail Incident Investigations. The group will take three additional courses to earn a program certificate from the Federal Transit Administration. The participants will use their new skills to implement best safety and security practices at the local level.
