

sun tran

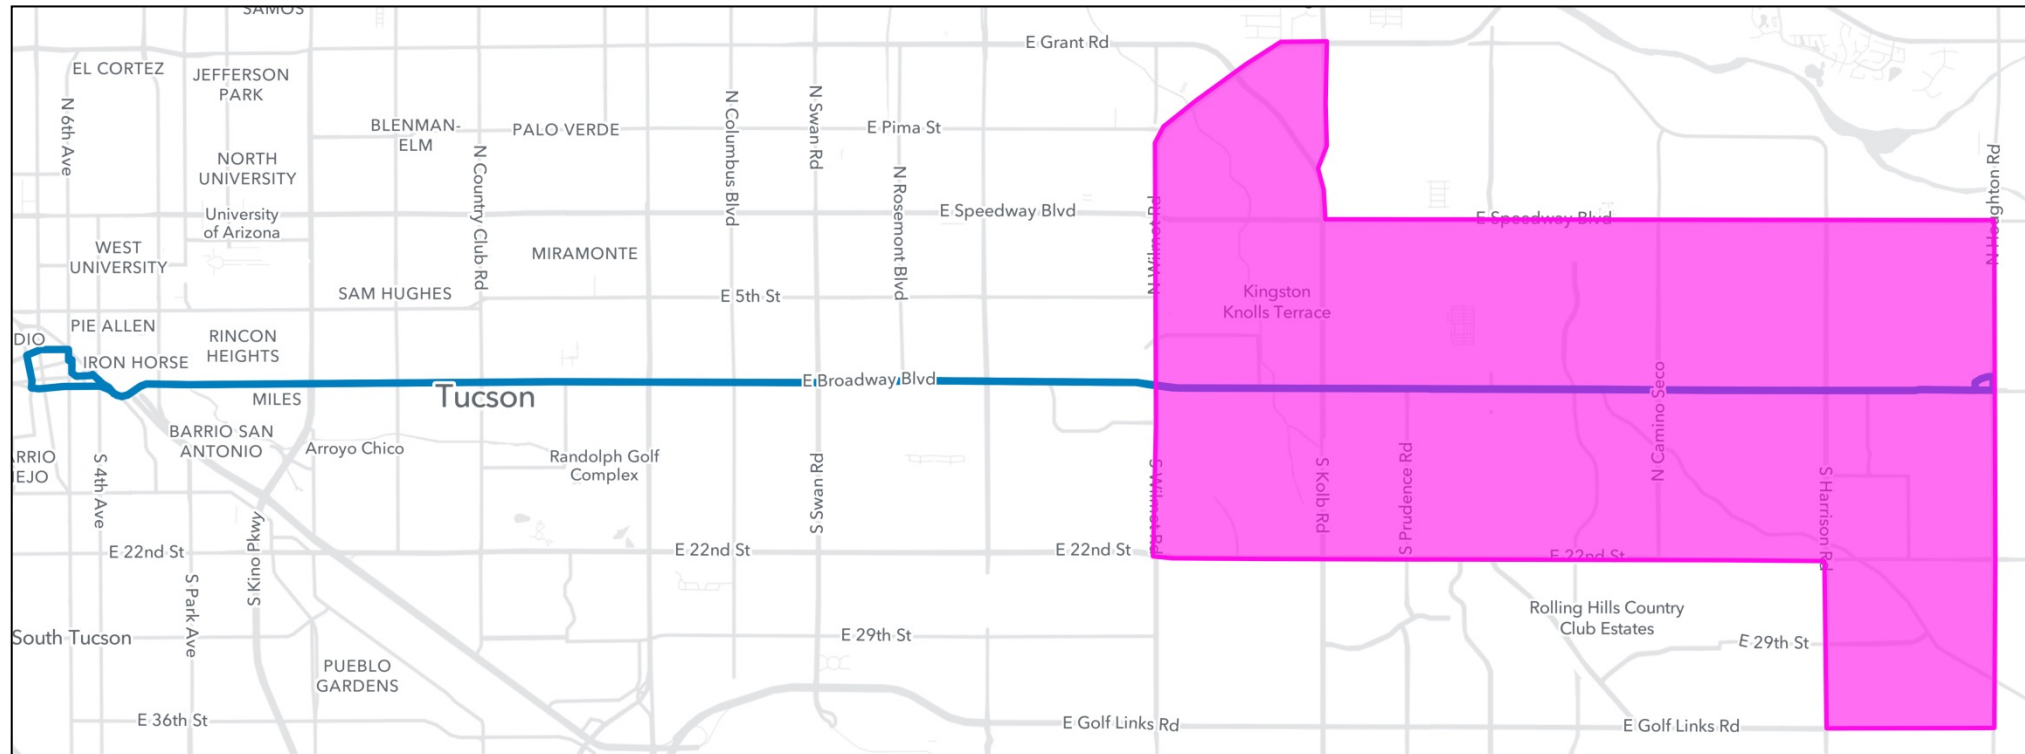

**PROPOSED BROADWAY BLVD.
TRANSIT IMPROVEMENTS**

CURRENT SERVICE OPTIONS:

PROPOSED SERVICE:

- New **RAPID** Service
- Sun On Demand Zone

WHAT IS RAPID SERVICE?

- Direct Service
- Higher Frequency
- Technology
- Upgraded bus stops & shelters
- Innovative branding
- Easy Fare payment system

Sun Tran Goals:

- ***Provide a better service to our riders***
- ***Upgrade the amenities provided to riders***
- ***Demonstrate that a higher level of service impacts ridership, quality of life, and equity***

WHAT IS SUN ON DEMAND?

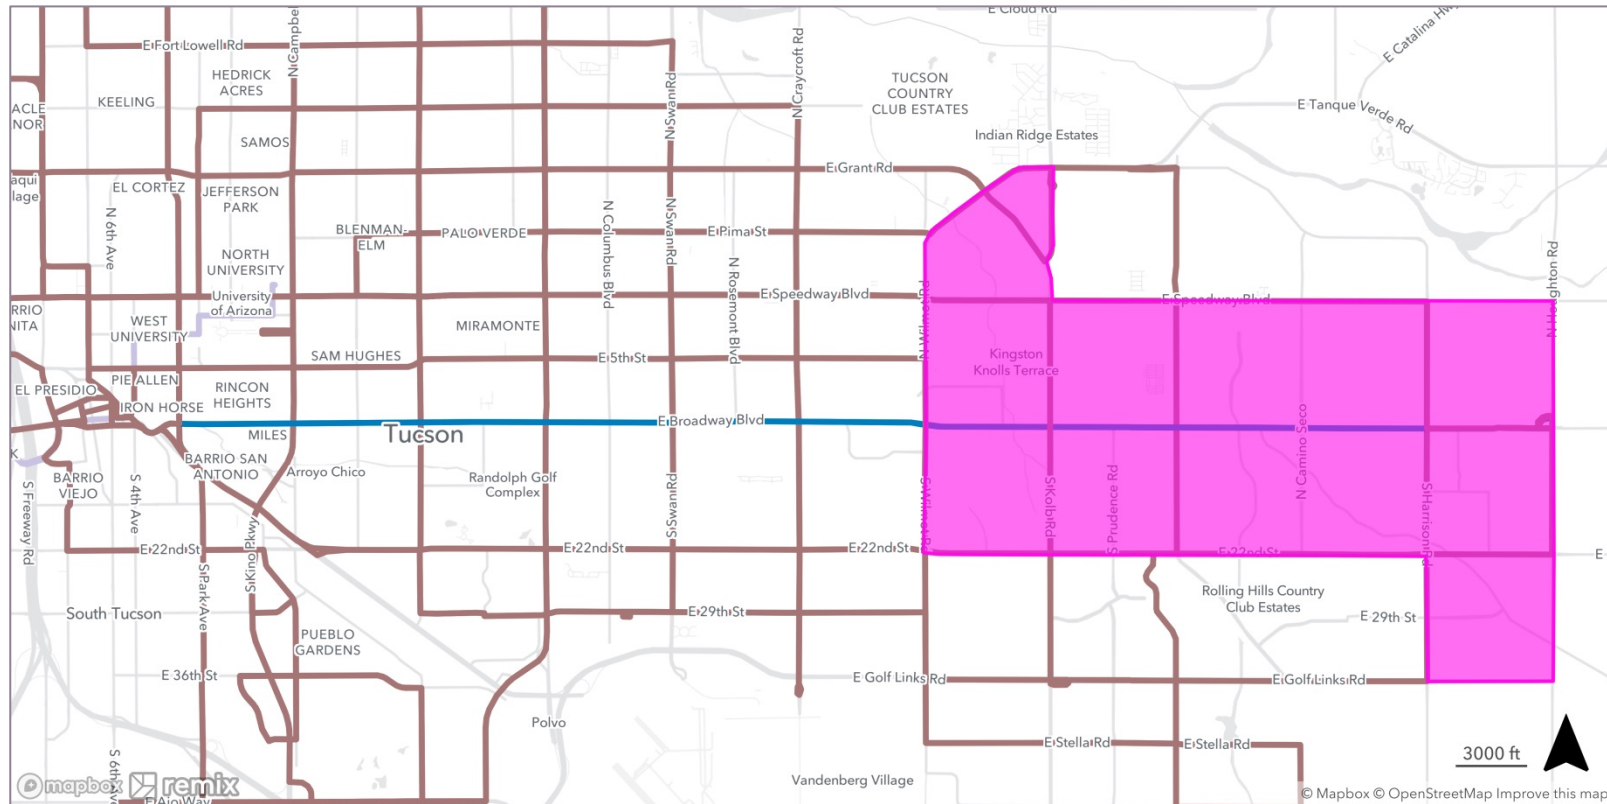

- Sun On Demand service uses a small vehicle in neighborhoods to provide curb to curb rides to destinations defined by a zone or to a bus stop.
- Flexible service – can go more places closer to home or destinations
- Shorter wait times
- Shared rides

SUN TRAN GOALS:

- *Provide a personalized service to our riders*
- *Build a direct relationship with riders*
- *Create a more a convenient service for elderly and disabled riders*
