Celebrating 50 years of Sun Tran

2025 marks an incredible milestone—50 years of providing reliable, accessible, and sustainable transit service to our community. Over the past five decades, our transit system has played a vital role in connecting people, empowering neighborhoods, and driving local progress.

We're proud of the innovations that have modernized our service, and to meet the changing needs of our riders, expanding routes, increasing ridership, and embracing new technologies. Our commitment to accessibility has remained at the heart of everything we do. For 50 years, we've worked to ensure that everyone has equitable access to reliable transportation.

We're also proud of the environmental benefits and creating more sustainable transit options. This achievement wouldn't be possible without the partnerships we've built with local governments, businesses, and community organizations. Together, we've made our transit system a crucial part of the region's growth and success.

Most importantly, we want to recognize our dedicated team of employees who have worked tirelessly over the years to ensure that every ride is safe, reliable, and efficient. Their commitment is what keeps Tucson moving!

To our riders—thank you. Your trust and support have made all of this possible. We look forward to continuing to serve you for many more years to come.
